AA Credit Rating

On 19/10/2022 ICAP A.E. (Credit Rating Agency) proceeded to the award of credit rating **AA** to NOVA CONSTRUCTIONS A.E., classifying it at a low credit risk category.

Grant Thornton - Green Bond

According to the report of an independent auditor of Grant Thornton, the Green Bond Framework of NOVA Constructions, from 21/10/2021, implements best practices and procedures, in harmonization with the principles of issuing Green Bond published by the International Capital Market Association (ICMA) in June 2021.

GREEN Properties balance sheets are audited by PWC chartered accountants.

ESG

At NOVA Constructions, as part of our broader policy to support sustainability and responsible business, we faithfully adopt the ESG (Environmental, Social, Governance) philosophy, operating in full compliance with applicable national and European environmental legislation and demonstrating responsibility us towards the environment, society and corporate governance.

Awards

GREEN Properties was honored with the important Greek Business Champion award, from the awards-institution for the Greek business world, "Protagonists of the Greek Economy", which was organized for the 8th time on July 2023 by the Direction Business Network.

The awards are based on the official financial data of the companies as they are captured in their financial reports and are presented in detail in the luxurious 10th edition "The Strongest of the Greek Economy" by the Direction Business Network, which was recently released.

GREEN Properties received the official recognition by GOLDEN AWARDS® The Trophy™ in the category "Business Awards" with the following specific awards: «BUSINESS GROWTH AWARD», «CORPORATE SUSTAINABILITY AWARD» and «GREEN INNOVATION AWARD».

The GOLDEN AWARDS® The Trophy™ institution took place as a physical award ceremony at the pool of Politia Tennis in a glamorous atmosphere among top personalities on June 7, 2023. The committee of the institution's esteemed jury panel, operating with the strictest criteria and consisting of international personalities from Greece and England, judged positively our course in the professional and social field and awarded us the official award certificates of the GOLDEN AWARDS® The Trophy™, which enshrines an important milestone, expressed as an exemplary achievement of life. The Trophy is now in our hands and conveys its brilliance, through its gold mirror quality construction, sealing 2023 in a unique way!

The GOLDEN AWARDS® The Trophy™ institution sets conditions such as contribution to culture, sensitivity to the environment, sustainability, vision, ethos, social contribution, reputation, etc.

SUPERBRANDS

GREEN Properties was awarded the Superbrands 2021, in the "Construction – Real Estate Development" field. Superbrands Greece is part of a global institution represented in 91 countries, which evaluates and recognizes the top brands worldwide.

The elements that were evaluated and singled out the participation of GREEN Properties are all those that have "built" a relationship of trust and reliability with the people who have already chosen it for their new home: minimal aesthetics, certified energy efficiency A+, non-negotiable "green" identity and competitive prices.

TUV AUSTRIA EN ISO 45001: 2018

The Company implements a Quality Management System in accordance with the standard EN ISO 45001: 2018 for the Scope "Real Estate and Development of Green Properties".

The Company implements a Quality Management System in accordance with the standard EN ISO 9001: 2015 for the Scope "Development and Management of Green Properties".

ISO 9001 (Quality Management System)

Project Elvetias St. Egaleo

A contemporary property of minimal aesthetics in Egaleo. It is an impressive property at the 'heart' of the Western Suburbs consisting of 7 apartments.

The orientation of the residences creates ideal conditions of comfort in every room, by allowing the natural light to enter the property. In that way it enhances the communication between the internal areas and the environment and ensures the residents the well-being they seek in their everyday life.

Every apartment has its storage room and some of them parking space in the pilotis. The minimal design and high aesthetics are reflected through the clean lines and the symmetry that dominates in the outer shell of the building and are combined with earthy tones. The planted area of shared use with arbour and installation of photovoltaic panels for the shared power, can be a meeting and relaxation spot for the residents.

Neighborhood

Landscapes

Egaleo presents a vibrant urban landscape characterized by its bustling streets, modern architecture, and a lively atmosphere. Amid the urban environment, you'll discover parks and open spaces like the Baroutadiko Grove which provide residents with serene spots to unwind and connect with nature.

Entertainment

The vibrant Egaleo Square hosts cultural events and markets, while the nearby Egaleo Park offers a tranquil space for relaxation. Additionally, you can explore local shops, cafes, and restaurants, immersing yourself in the dynamic atmosphere of this thriving neighborhood.

Public Services and Facilities

The presence of the University of West Attica, contributes to the intellectual and cultural landscape of Egaleo, fostering an environment of education and growth. Egaleo is also a transport hub, as it is connected to large highways (Iera Odos, Kifissos Avenue and Athinon Avenue) and has 3 Metro stations (Egaleo, Agia Marina, Elaionas).

Location

Egaleo is a transport hub, as it is connected to large highways and has 3 Metro stations. The city hosts the University of West Attica and in Egaleo centre, the famous Baroutadiko Grove is located. It is well known for its very large market and the alternative solutions for daily entertainment.

Indicative locations and their distance from the property:

- | | |
|---|-------------------------------------|
| 1. Your home (56 Elvetias st) | 7. Supermarket (440m) |
| 2. Agia Marina Metro Station (965m) | 8. 3rd High School of Egaleo (500m) |
| 3. 10th Primary School of Egaleo (310m) | 9. Beach Volleyball Court (490m) |
| 4. Supermarket (350m) | 10. Police station (850m) |
| 5. Grove Egaleo Barutadiko (730m) | 11. Bank (400m) |
| 6. 12th Primary School of Egaleo (620m) | 12. Pharmacy (200m) |

MINIMAL DESIGN

Minimalist design is about prioritizing the essential: natural light, environmental consciousness, timeless aesthetics, reliability and long term functionality.

TIMELESS AESTHETICS

Timeless aesthetics is about subtle lines, adaptability, and outlasting trends. Design stripped to its core function, realized using limited materials, neutral colors, simple forms, and avoiding extravagances to achieve a pure form of elegance.

Apartment Features

A+ Energy Efficient Buildings

We offer houses rated in energy class A+, equipped with autonomous heating pumps, solar panels, thermal facades, and solar water heaters, for energy savings of up to 70%!

Minimal Design

Minimalist design is about prioritizing the essential. Less frame, endless view, natural light, environmental consciousness, natural colors and timeless aesthetics.

Thermal Facade

10 cm throughout the outer shell of the building.

Photovoltaic Power Generation System

Our apartments are equipped with electricity generation systems offering energy autonomy and maximum economic efficiency.

Latest Technology Lighting

Our buildings are equipped with the latest technology LED lighting, photocells, motion detectors and timers for maximum energy savings.

Large Openings

Our apartments are equipped with large openings to maximize the view and allow plenty of natural light to enter the property.

Underground Parking Facilities

Our buildings feature underground parking facilities in order to provide cover for the vehicles and protect them from damages.

Project Features

Highly energy - efficient sustainable aluminum systems

Armored / Fire resistant door

Large openings to maximize the view

Autonomous cooling - heating pump

Solar water heaters

Latest technology LED lighting

Photovoltaic systems with net metering services

Smart home

Latest lighting system

Property with A+ energy rating

Contemporary kitchen - bathroom design

Central Antenna

Green Identity

The green philosophy that our company follows, can be found in all our projects. While taking advantage of all the orientations of the properties for natural light, in combination with, the installation of photovoltaics with net metering system for the shared power, the installation of thermal facade throughout the outer shell of the property for the minimization of energy loss and by using energy efficient aluminum frames of high aesthetics, energy economy and reduction of the environmental footprint is achieved.

Smart Home

Experience the ultimate comfort, convenience, and efficiency with Smart Home, allowing you to effortlessly manage all smart devices remotely. Moreover, sustainability takes center stage, as you gain complete control over energy consumption, ensuring a more environmentally-friendly and energy-efficient home.

Step into the future of living with Smart Home, where cutting-edge technology and eco-consciousness combine to offer you a truly extraordinary lifestyle.
