Awards

GREEN Properties was honored with the important Greek Business Champion award, from the awards-institution for the Greek business world, "Protagonists of the Greek Economy", which was organized for the 8th time on July 2023 by the Direction Business Network.

The awards are based on the official financial data of the companies as they are captured in their financial reports and are presented in detail in the luxurious 10th edition "The Strongest of the Greek Economy" by the Direction Business Network, which was recently released.

GREEN Properties received the official recognition by GOLDEN AWARDS® The Trophy™ in the category "Business Awards" with the following specific awards: «BUSINESS GROWTH AWARD», «CORPORATE SUSTAINABILITY AWARD» and «GREEN INNOVATION AWARD».

The GOLDEN AWARDS® The Trophy™ institution took place as a physical award ceremony at the pool of Politia Tennis in a glamorous atmosphere among top personalities on June 7, 2023. The committee of the institution's esteemed jury panel, operating with the strictest criteria and consisting of international personalities from Greece and England, judged positively our course in the professional and social field and awarded us the official award certificates of the GOLDEN AWARDS® The Trophy™, which enshrines an important milestone, expressed as an exemplary achievement of life. The Trophy is now in our hands and conveys its brilliance, through its gold mirror quality construction, sealing 2023 in a unique way!

The GOLDEN AWARDS® The Trophy™ institution sets conditions such as contribution to culture, sensitivity to the environment, sustainability, vision, ethos, social contribution, reputation, etc.

SUPERBRANDS
GREEN Properties was awarded the Superbrands 2021, in the "Construction - Real Estate Development" field. Superbrands Greece is part of a global institution represented in 91 countries, which evaluates and recognizes the top brands worldwide.

The elements that were evaluated and singled out the participation of GREEN Properties are all those that have "built" a relationship of trust and reliability with the people who have already chosen it for their new home: minimal aesthetics, certified energy efficiency A+, non-negotiable "green" identity and competitive prices.

Project Neossoikon St., Piraeus

Highly aesthetic residential complex in Piraeus.

With a new, impressive project, **GREEN Properties** strengthens its presence in the Piraeus area, on 29 Neossoikon St., very close to Marina Zeas. It is a residential complex consisting of an impressive maisonette and seven fully equipped apartments. The building is designed with large openings creating a sense of spaciousness in the interior and has refined aesthetics with clean lines and earth tones.

It is located in a very privileged location, a heartbeat away from the sea and Marina Zeas where it offers easy access to a variety of activities and entertainment options. In addition, the Tzaneio Hospital is just a few minutes away from the complex.

By choosing your new home from **GREEN Properties**, you are choosing the home of your dreams! You have the possibility to design the kitchen and bathrooms based on your personal taste, but also to choose the materials based on your needs and preferences, always with the constant support of our specially trained in-house team of decorators.

Neighborhood

Landscapes

Marina Zeas unfolds as a captivating landscape along the coastal stretch of Piraeus, Greece. The panoramic views of the sea provide a unique backdrop, creating an idyllic setting for residents and visitors. The marina, with luxurious yachts, enhances the picturesque charm of the area, while the gentle sounds of the sea offer a soothing soundtrack to daily life. The waterfront promenade invites leisurely strolls, in the natural beauty that surrounds Marina Zeas.

Entertainment

The place is also a hub of entertainment and cultural activities. The waterfront promenade features charming cafes, nice restaurants, and lively bars, creating a gastronomic experience that reflects both local and international flavors. The cosmopolitan atmosphere is further enriched by chic boutiques and shops and the Hellenic Maritime Museum, offering a delightful cultural experience. The proximity to Athens ensures easy access to theaters, art galleries, and vibrant nightlife, providing a well-rounded entertainment scene for those who choose to call Marina Zeas home.

Public Services and Facilities

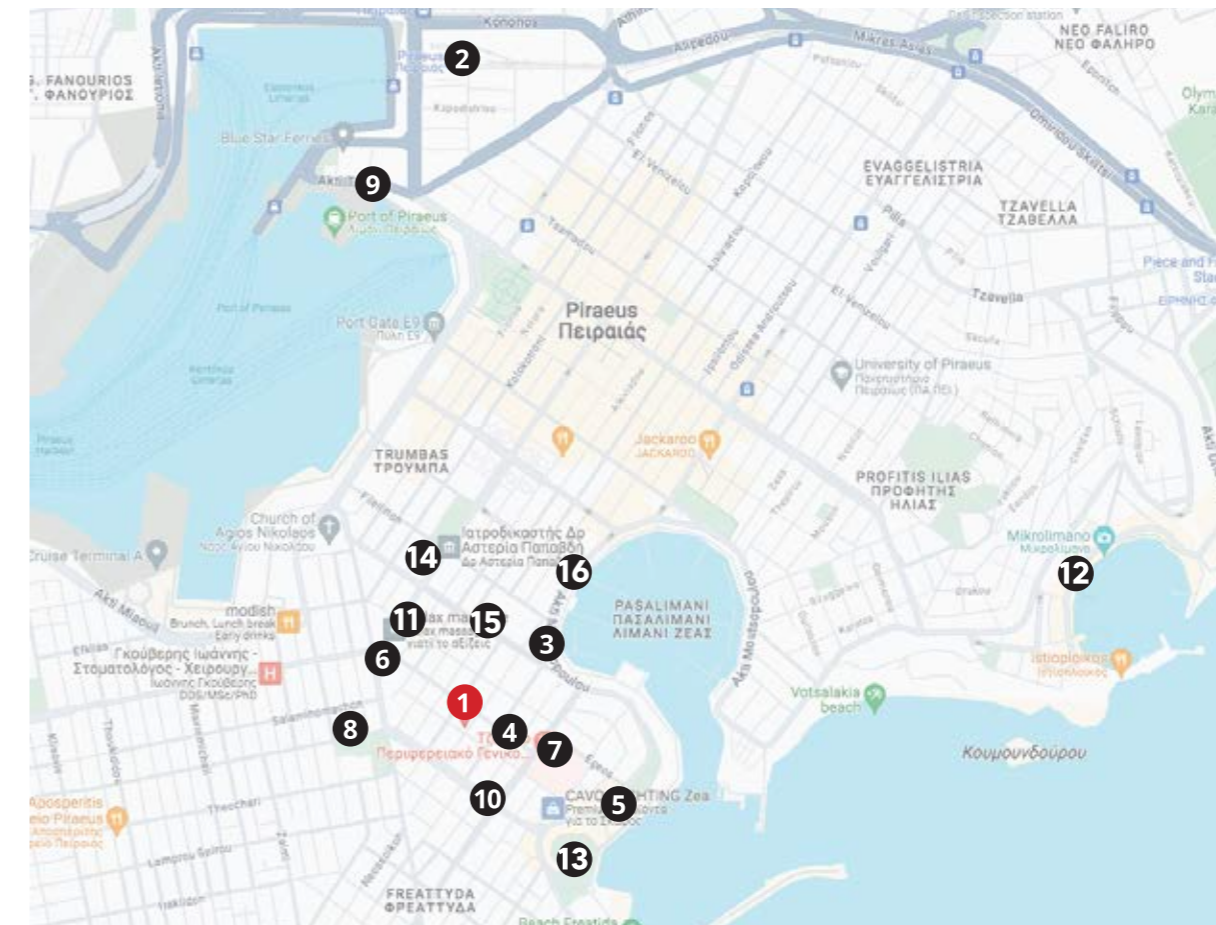

Marina Zeas' educational institutions, healthcare facilities (Tzaneio Hospital), and recreational spaces are thoughtfully integrated into the community, enhancing the overall quality of life. The presence of public parks and green spaces adds to the recreational options, providing residents with areas for relaxation and socialization. Moreover, the marina's facilities cater to maritime enthusiasts, offering convenient services for yacht owners and creating a dynamic and well-rounded living environment.

Location

Marina Zeas, located along the coastline of Piraeus, is a unique place for living. With stunning views and a marina with luxurious yachts, the area offers a serene yet dynamic atmosphere. Residents enjoy a cosmopolitan lifestyle with access to luxurious restaurants, bars, and chic shops, combining urban sophistication with coastal charm.

MINIMAL DESIGN

Minimalist design is about prioritizing the essential: natural light, environmental consciousness, timeless aesthetics, reliability and long term functionality.

TIMELESS AESTHETICS

Timeless aesthetics is about subtle lines, adaptability, and outlasting trends. Design stripped to its core function, realized using limited materials, neutral colors, simple forms, and avoiding extravagances to achieve a pure form of elegance.

Apartment Features

A+ Energy Efficient Buildings

We offer apartments rated in energy class A+, equipped with autonomous heat pumps, solar panels, thermal facades, and solar water heaters, for energy savings of up to 70%!

Minimal Design

Minimal design is about prioritizing the essential. Less frame, endless view, natural light, environmental consciousness, natural colors and timeless aesthetics.

Thermal Facade

10 cm throughout the outer shell of the building.

Solar Powered Buildings

Our projects are equipped with solar panels producing electricity to be used on common areas, elevators, parking etc.

Latest Technology Lighting

Our buildings are equipped with the latest technology LED lighting, photocells, motion detectors and timers for maximum energy savings.

Large Openings

Our apartments are equipped with large openings to maximize the view and allow plenty of natural light to enter the property.
