

OIKOS
RESIDENCE

Piraeus, Neossoikon St.

Neossoikon St.

Piraeus

Highly aesthetic residential complex in Piraeus.

With a new, impressive project, GREEN Properties strengthens its presence in the Piraeus area, on 29 Neossoikon St., very close to Marina Zeas. It is a residential complex consisting of an impressive maisonette and seven fully equipped apartments.

The building is designed with large openings creating a sense of spaciousness in the interior and has refined aesthetics with clean lines and earth tones.

It is located in a very privileged location, a heartbeat away from the sea and Marina Zeas where it offers easy access to a variety of activities and entertainment options. In addition, the Tzaneio Hospital is just a few minutes away from the complex.

By choosing your new home from GREEN Properties, you are choosing the home of your dreams! You have the possibility to design the kitchen and bathrooms based on your personal taste, but also to choose the materials based on your needs and preferences, always with the constant support of our specially trained in-house team of decorators.

Pre-installation for an alarm system

Contemporary kitchen - bathroom design

Landscapes

Marina Zeas unfolds as a captivating landscape along the coastal stretch of Piraeus, Greece. The panoramic views of the sea provide a unique backdrop, creating an idyllic setting for residents and visitors.

The marina, with luxurious yachts, enhances the picturesque charm of the area, while the gentle sounds of the sea offer a soothing soundtrack to daily life. The waterfront promenade invites leisurely strolls, in the natural beauty that surrounds Marina Zeas.

Entertainment

The place is also a hub of entertainment and cultural activities. The waterfront promenade features charming cafes, nice restaurants, and lively bars, creating a gastronomic experience that reflects both local and international flavors. The cosmopolitan atmosphere is further enriched by chic boutiques and shops and the Hellenic Maritime Museum, offering a delightful cultural experience. The proximity to Athens ensures easy access to theaters, art galleries, and vibrant nightlife, providing a well-rounded entertainment scene for those who choose to call Marina Zeas home.

Public Services

Marina Zeas' educational institutions, healthcare facilities (Tzaneio Hospital), and recreational spaces are thoughtfully integrated into the community, enhancing the overall quality of life. The presence of public parks and green spaces adds to the recreational options, providing residents with areas for relaxation and socialization.

Moreover, the marina's facilities cater to maritime enthusiasts, offering convenient services for yacht owners and creating a dynamic and well-rounded living environment.

Minimal Design

Minimalist design is about prioritizing the essential: natural light, environmental consciousness, timeless aesthetics, reliability and long term functionality.

Timeless Aesthetics

Timeless aesthetics is about subtle lines, adaptability, and outlasting trends. Design stripped to its core function, realized using limited materials, neutral colors, simple forms, and avoiding extravagances to achieve a pure form of elegance.

Living Room

OIKOS project

Our living room combines comfort and style in a bright, airy space. Featuring modern elements, high-quality materials, and an open design, it's perfect for relaxing and entertaining. Natural light and contemporary decor enhance the welcoming atmosphere, making it a great place to unwind or host friends and family.

Kitchen

OIKOS project

Discover your dream kitchen! With modern appliances, spacious countertops, and excellent functionality, our kitchen blends style and practicality. The lighting and ergonomic design create the perfect space for daily meals and culinary adventures. Enjoy cooking in a space that inspires and delights, making every meal a special experience.

Bedroom

OIKOS project

Experience peace and luxury in your bedroom! Designed for comfort and relaxation, our bedrooms feature high-quality materials and modern furnishings. The quiet, cozy space invites you to enjoy restful sleep and tranquility, creating a perfect retreat from the everyday hustle. It's your personal haven for relaxation and rejuvenation.

Apartment

Features

Energy Efficient Buildings

We offer apartments rated in energy class A+, equipped with autonomous heat pumps, solar panels, thermal facades, and solar water heaters, for energy savings of up to 70%!

Minimal Design

Minimal design is about prioritizing the essential. Less frame, endless view, natural light, environmental consciousness, natural colors and timeless aesthetics.

Thermal Facade

10 cm throughout the outer shell of the building.

Solar Powered Buildings

Our projects are equipped with solar panels producing electricity to be used on common areas, elevators, parking etc.

Latest Technology Lighting

Our buildings are equipped with the latest technology LED lighting, photocells, motion detectors and timers for maximum energy savings.

Large Openings

Our apartments are equipped with large openings to maximize the view and allow plenty of natural light to enter the property.

Underground Parking Facilities

Our buildings feature underground parking facilities in order to provide cover for the vehicles and protect them from damages.

GREEN Properties

Design & Construction

GREEN Properties is the leading design & construction company in Greece.

It specializes in design and construction of eco-friendly, green & smart home solutions with A+ energy efficiency, minimal design & high quality at exceptional prices.

GREEN Properties consistently delivers on its promises ensuring timely results for its clients through every step of the process, thanks to a 278 in-house team of experienced Executives, Civil Engineers, Architects, Mechanical Engineers, Decorators, and Lawyers.

The customer support extends from the early purchasing procedures to the on-time delivery of the property and even after sales services offering investment opportunities with guaranteed yield.

GREEN Properties team is dedicated to guiding and assisting its valued customers through every step of the process.

Green Identity

The green philosophy that our company follows, can be found in all our projects.

Energy efficiency is improved, by taking advantage of all property orientations for natural light and installing a photovoltaic system with net metering for shared power.

Additionally, the installation of 10cm thick thermal façade throughout the property's outer shell and the use of energy-efficient aluminum frames contribute to reducing energy loss and minimizing the environmental footprint.

Smart Home

Experience the ultimate comfort, convenience, and efficiency with Smart Home, allowing you to effortlessly manage all smart devices remotely. Moreover, sustainability takes center stage, as you gain complete control over energy consumption, ensuring a more environmentally-friendly and energy-efficient home.

Step into the future of living with Smart Home, where cutting-edge technology and eco-consciousness combine to offer you a truly extraordinary lifestyle.

AA Credit Rating

On 19/10/2022 ICAP S.A. (Credit Rating Agency) proceeded to the award of credit rating AA to NOVA CONSTRUCTIONS S.A., classifying it at a low credit risk category.

According to the report of an independent auditor of Grant Thornton, the Green Bond Framework of NOVA Constructions, from 21/10/2021, implements best practices and procedures, in harmonization with the principles of issuing Green Bond published by the International Capital Market Association (ICMA) in June 2021.

GREEN Properties balance sheets are audited by PWC chartered accountants.

ESG

At NOVA Constructions, as part of our broader policy to support sustainability and responsible business, we faithfully adopt the ESG (Environmental, Social, Governance) philosophy, operating in full compliance with applicable national and European environmental legislation and demonstrating responsibility us towards the environment, society and corporate governance.

Awards

GREEN Properties was honored with the important Greek Business Champion award, from the awards-institution for the Greek business world, “Protagonists of the Greek Economy”, which was organized for the 8th time on July 2023 by the Direction Business Network.

The GOLDEN AWARDS® The Trophy™ institution took place as a physical award ceremony at the pool of Politia Tennis in a glamorous

atmosphere among top personalities on June 7, 2023. The committee of the institution's esteemed jury panel, operating with the strictest criteria and consisting of international personalities from Greece and England, judged positively our course in the professional and social field and awarded us the official award certificates of the GOLDEN AWARDS® The Trophy™, which enshrines an important milestone, expressed as an exemplary achievement of life. The Trophy is now in our hands and conveys its brilliance, through its gold mirror quality construction, sealing 2023 in a unique way!

The GOLDEN AWARDS® The Trophy™ institution sets conditions such as contribution to culture, sensitivity to the environment,

sustainability, vision, ethos, social contribution, reputation, etc.

GREEN Properties received the official recognition by GOLDEN AWARDS® The Trophy™ in the category "Business Awards" with the following

specific awards: «BUSINESS GROWTH AWARD», «CORPORATE SUSTAINABILITY AWARD» and «GREEN INNOVATION AWARD».

GREEN Properties was awarded the Superbrands 2021, in the "Construction – Real Estate Development" field.

Superbrands Greece is part of a global institution represented in 91 countries, which evaluates and recognizes the top brands worldwide.

The elements that were evaluated and singled out the participation of GREEN Properties are all those that have "built" a relationship of trust and reliability with the people who have already chosen it for their new home: minimal aesthetics, certified energy efficiency A+, non-negotiable "green" identity and competitive prices.
